

1 Instructions

For each of the following words, decide the following:

- identify all morphemes
 - how many morphemes are there?
 - is each one free or bound?
 - is each one derivational or inflectional?
 - is each one content or function?
- identify any affixes
 - whether they're derivational or inflectional
 - whether they're prefixes, suffixes, infixes, circumfixes
- identify all roots and stems

2 English words

ex.: distastefully
